Hello Joe,

Thanks for the call and update. It was greatly appreciated. For the call this afternoon I don't have water staff to sit in on the call but I could listen in if needed, just let me know the time.

I can however provide the attached BMP that provides some details on the water treatment systems at TCC. If you haven't seen it yet it should be helpful. I'm attempting to confirm whether or not there is a newer version of the BMP.

Chris
